community foundationSM

How to Give to a Specific Fund

We strive to make the process of supporting the Foundation as simple as possible. Please see the guide below for a step by step outline of our most frequent types of living gifts. Any of these gifts can be made as a Memorial. For other gifts not outlined, such as estate planning, property, stock, or crops, please contact the Foundation at 989-269-2850.

Cash-

Gifts of cash may be sent to:

Huron County Community Foundation

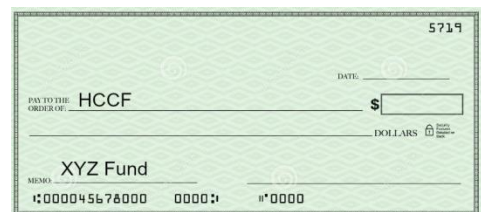

PO Box 56

Bad Axe, MI 48413

If sending a gift of cash, please include a note of the fund for which the donation is intended as well as your full name and address so that a gift acknowledgement may be sent for your tax records.

Check-

Donations via check are the most common form of gift received. Checks should be made out to **HCCF** or **Huron County Community Foundation**. In the "memo" line, please write the name of the fund for which the donation is intended. Donations via check should also be sent to the address above. The information on the check will be used for addressing gift acknowledgments.

Credit Card-

Making gifts to a fund via credit card is now easier than ever. Visit our website, huroncountycommunityfoundation.org, select ways to give, and click "Donate Now", or [Click here](#). This will take you to our online donation platform. Here, you can make one time or recurring gifts from a credit card. To give to a specific fund, write the fund name in the box titled "Fund Designation".

For good. For ever.
