

Keep the Light Shining Campaign

Available Sponsorships as of 10/16/2024

Help us complete the restoration of the lighthouse. There are opportunities to fit every budget and interest. Repair a tread of the interior staircase, bring glass back to our historic lamp room or restore an entire bedroom. Every dollar of support helps us get closer to our goal of finishing this historic restoration of the Castle on the Lake during the summer or 2024.
